

WHY VISION™?

EASY TO OPERATE

User friendly, customizable, control panel that feels intuitive to operate. No mechanical knobs or dials to break off. The Vision™ Touch combi oven features a responsive touch screen that is easier to use than your smartphone.

TRIPLE-PANE, COOL TO THE TOUCH, CURVED GLASS DOOR

The Vision™ Combi doors are made with three separate layers of glass and special 2" thick insulation around the cooking chamber for excellent cooking performance.

AUTOMATIC CLEANING SYSTEM

Easy to use, and fast, automatic cleaning system that will take the hard work out of cleaning your combi oven at the end of the day, or middle of the shift.

GOLDEN TOUCH

Adds crisp, finishing touch to product with the push of a button.

MULTI-TASKING FEATURE

This feature allows users to edit, change, and add recipes while cooking.

ADVANCED HUMIDITY CONTROL

Provides automatic humidity control from 1-100%.

WORLD'S BEST
VISION
TOUCH
COMBI OVEN

BOILERLESS STEAM INJECTION SYSTEM

Advanced Steam Injection system with built in heat exchanger that preheats incoming water for perfect steam saturation and lower water consumption.

BUILT TO LAST

304 heavy gauge Stainless Steel exterior and interior cavity with covered corners for easy cleaning. Only stainless steel used in the construction of our ovens, except for the glass on the door.

TWO STEP SAFETY HANDLE

All of our Vision™ models come standard with a two step safety handle to help prevent accidental burns from steam when opening the door.

A CLEAN, EASY TO ACCESS SERVICE COMPARTMENT

Makes repairs easier for either a service agent, or a resident maintenance technician.

AUTOMATIC COOL-DOWN

Initiated whenever a cleaning cycle is started. Other ovens require the operator to open the door and cool down manually.

MULTI-TIMER FEATURE

Allows user to set up multiple menu items in advance for continuous batch cooking.

USB PORTS

Standard on all Vision™ Combi ovens, this allows users to upload or download their own recipes, photos, or menu items. Users can also download HACCP data for archiving on a separate computer.

LIFETIME SERVICE AND SUPPORT

Available 7 days a week, from 7 am to 7 pm EST, to help our customers resolve any issues that might arise in the shortest time possible.
